

Engineer 2k22 starts at NITK

TIMES NEWS NETWORK

Mangaluru: The 17th edition of technical fest 'Engineer 2k22' commenced at NITK Surathkal on Thursday. It is a four-day fest, and the chief guests were Venkata Ramana Akkaraju, chairman, NMPT, Mangaluru, G C Mohan Kumar, director, in-charge, and Narendranath S, dean of students welfare, NITK Surathkal.

Engineer 2K22 will be the 17th edition of the festival, which began in 2005. This year, the events are held for three days and three nights. There are more than seven branches involved, with more than 35 events, with an expected footfall of more than 8,000 participants.

This edition, there are a myriad of competitions organised in diverse fields of gaming, business, finance, marketing, automobiles, and robotics, mining, IoT, racing, astronomy, civil, chemical, and others. There are seminars and workshops as well.

Some of the unique events are EV exhibition, EngiXplor, Techmela, Engi-Talks, Technites, Tronix, Chronus, Comps, Bizzwaves, StartUp ideas, and Drone events. There are pro-shows, which will include a bike stunt show, stand-up comedy shows by Haseeb Khan, Magic show by famous illusionist, Aakarsh S Bhat, and a DJ night by DJ Mojo Jojo.
